ERA Consumer Malaysia's programs are designed and implemented to nurture alternative people centered development initiatives at the community level through participatory accountable governance, socio-economic, sustainable agriculture and ecological endeavors to facilitate access and management of resources for people to develop their full potentials and expand their choices in accordance with their needs and interests.

ERA Consumer's focus has been:

- **Research**

It is a community based think tank to generate knowledge, information and innovation to support consumer information, education, protection and sustainable people centred development process.

- **Advocacy**

Campaigns through policy inputs, seminars and media dissemination for consumer protection legislation, strengthening the position of women and children and sustaining the environment.

- **Empowerment**
